

There's a New Herd Hero at Bagley Farms

We are excited about adding Power Star to our program. According to his breeder, Gary Woodring, "Power Star is one of the most complete bulls we have ever raised."

BD: 5/1/07 BW: 82#			
WW	742#	BW	-0.2
WW	+8	YW	+13
Milk	-1	M&G	+3
CED	-2.1	CEM	-4.4
Tested homozygous black and polled			

Power Star 14T

Semen is available.

A new generation of calves has arrived out of our herd sires Pol Frank, ABS Black Powder and others. We offer some of our quality genetics throughout the year at consignment sales and at the farm private treaty.

Watch Bagley Farm genetics at the upcoming Southeast Connection Sale, Sept. 20.

Stop by the farm any time. Visitors are always welcome. We would be happy to show you our Braunvieh program.
