

Your Northwest Georgia Source for Proven Polled Braunvieh Genetics

“NEW ERA HAS A NEW HOME”

MHF New Era N315

PB49081

A homozygous polled son of BNL Pure Chrome. New Era produces thick, stout, correct, polled calves. He is the sire of Mystic Hill herd sire MHF Renovation and the paternal grandsire of MHF Undaunted U820 the top indexing, high selling bull in the 2009 Spring National Bull Test and Sale. Owned with Mystic Hill Farms of Virginia. Semen is available.

NEW ADDITIONS TO OUR DONOR HERD

Miss Ridgefield 158

PB42351

We purchased this exceptional female last spring at the Ridgefield Farm sale. She is the dam of Mr RF Atlas 212U who is undefeated in the Braunvieh show ring so far. Miss 158 is sired by “Pure Chrome” and is exceptional in her birth weight and EPDs.

Miss 1343 is an impressive female we purchased from Broken Oak Ranch this past year. She is polled and goes back to impressive import genetics on her sire and dam side. We look forward to future progeny.
